the practicability of using convicts abroad it is possible that the regulations may be altered so that convicts who desire to do so may be organized into battalions or regiments by themselves and sent abroad for work behind the lines in road building, repairing equipment or tasks along those lines.

Before going abroad Judge Wadhams visited nearly all the peral institutions in this country and recommended to the War Department the utilization of convicts in the war industries. Representatives of the American Federation of Labor indorsed the suggestion.

"If these men can be used without interfering with existing industries and without unfair competition with labor, it seems reasonable that the Government should take advantage of these conditions, in view of the great emergency, and put these men to
